

Board of IMC AG Ensures Continuity: Supervisory and Executive Boards Pave the Way for Successors

Saarbruecken, May 21st, 2014:

The supervisory board of imc information multimedia communication AG (IMC AG) convened on 24th April 2014 under the chairmanship of Prof. Dr. Dr. h.c. mult. August-Wilhelm Scheer. Their agenda focused on maintaining continuity at the top management level of the company to lay the foundations for a successful strategy of profitable growth.

Three board members of IMC AG, Dr. Wolfgang Kraemer, Frank Milius and Dr. Volker Zimmermann, are due to leave the company on 30th June 2014 after having occupied top positions at one of the leading software and consulting providers of e-learning solutions for 17 years. Although they are moving on to accept new challenges, they will remain part of the company's fellow partners.

The supervisory board thanks Dr. Wolfgang Kraemer, Frank Milius and Dr. Volker Zimmermann for their commitment to IMC and their longstanding achievements. By appointing Christian Wachter to the board as early as in September 2013 to oversee the areas of sales & consulting, the supervisory board is ensuring a focus on continuity at a very early stage. This strategy continues with the appointment of Dr. Tobias Blickle for the areas of research & development and of Rudolf Keul for finance/G&A on 1st July 2014.

Dr. Tobias Blickle is currently responsible for the product development of the IMC Learning Suite at IMC AG. He is a proven manager with significant experience in software development and product management. Before joining IMC AG in 2012, he worked as product manager at Software AG for several years and, before that, as longstanding head of development at IDS Scheer.

Rudolf Keul has experience working as an accountant for two internationally renowned auditing companies. Most recently, as a board member of IDS Scheer AG, he was

responsible of the areas of finance/control, investor relations, internal IT and risk management, as well as facility and travel management. Rudolf Keul is also the managing director of Scheer Group GmbH.
