

Sven R. Becker appointed as second member of IMC AG Management Board

Saarbrücken, 21. December 2018 – The Supervisory Board of IMC AG appointed Sven R. Becker as an additional member of the Management Board as of January 1, 2019, he will sit alongside Christian Wachter, Chairman of the Management Board. Sven Becker assumes responsibility for the areas of sales and marketing in the D/A/CH region, e-learning content services, standard content and education portals.

"As Chairman of the Supervisory Board, I am very pleased that we can welcome Sven R. Becker as a new member of the Executive Board. I am convinced that the team of Mr. Wachter and Mr. Becker is a guarantor for the further positive company development and for further growth", states Prof. Dr. Dr. h.c. mult. August-Wilhelm Scheer, founder and Chairman of the Supervisory Board of IMC AG.

With more than 10 years of practical experience in the field of digital education and training solutions, most recently as DACH sales manager at IMC AG, Sven R. Becker is highly qualified to lead IMC AG strategically and operationally into a successful future.

"It is a unique opportunity and challenge for me to be able to help shape the further development of IMC AG in this position," says Sven R. Becker. "In addition to sustainable growth, it is important for me to strengthen creativity and innovation in a digitally dynamic environment".
